Be smart and get a Large SMART Round Stainless Steel Chafing Dish.

1A15301

The Large SMART Round Stainless Steel Chafing Dish w/ Glass Lid not only looks great, but because of its unique design is cost effective. This unit can be flush mounted utilizing induction heat, or our magnetic electric heater, or canned fuel. The clad bottom distributes heat evenly minimizing hot spots that cause food to stick and burn. The self-closing lid has adjustable patented hinges that will prevent food from getting cold. In addition, the lid can be removed with one hand for easy cleaning. The lid also has air vents that reduce condensation build up that could drip on the food. This condensation is captured by the water recycling system allowing less refilling of the water pan, decreasing labor costs. The handle keeps cool preventing burns. The entire chafer is repairable, making this a quality investment that will last for years to come. Our SMART Chafers can be used on induction counters as well. It has a capacity of 6.9 qt/6.5 ltr. **BASE NOT INCLUDED**

Specifications

Carton quantity	1
Dimensions (L x W x H)	17" x 19.5" x 9"
Weight	18 lbs.

Features

Air Vent on lid	— Minimizes condensation build up.
Bolt & Screw Assembly	— Making chafing dish 100% repairable.
