GLAZED PORCELAIN | FRANCISCAN SLATE™

floor • wall • countertop

Discover the beauty of the terrain with the versatile Franciscan Slate collection. Made with recycled materials, this stunning American-made tile brings a little terra firma into your space. Perfect for commercial or residential applications, this innovative collection features both Reveal Imaging™, for the most realistic natural stone visual possible on a tile surface, and Microban® antimicrobial protection, which keeps tile cleaner between cleanings. With hues such as the silky Desert Crema and the cavernous blue tones of Coastal Azul, you can surround yourself with nature and enhance the beauty of your design. Get grounded and enjoy Daltile's glazed porcelain collection: Franciscan Slate.

Cover features Franciscan Slate Desert Crema 18 x 18 field tile in a grid pattern on kitchen floor.

Photo features Franciscan Slate Coastal Azul in 18 x 18 on floor.

NOTES

Strong random shading enhances the natural beauty of this product. To achieve optimal results, tile should be selected from multiple cartons and shading arrangement planned prior to installation.

Use of a latex modified thin-set is recommended for installation.

Since there are variations in all fired ceramic products, the tile and trim supplied for your particular installation may not match these samples. Final color selection should be made from actual tiles and trim and not from tile and trim samples or color reproductions. Manufactured in accordance with ANSI A137.1 standards.

For additional information refer to "Factors to Consider" at: www.daltile.com/CommercialFactors

Water, oil, grease etc. create slippery conditions. Floor applications with exposure to these conditions require extra caution in product selection. Not for use on ramps.
