KEYSTONES™

KEYSTONES™

COLORBODY™ PORCELAIN

floor • wall • countertop • exterior

If one word were used to describe the enhanced Keystones™ Mosaics collection from Daltile, it would be, "variety." With such a wide selection of colors (available in both solid and speckled), shapes and blends, you will have the confidence to set your imagination free to achieve your vision. All of our Keystones families are made in the USA and contain Recycled Material Content, furthering our commitment to sustainable design. They are also suitable for floors, walls, countertops, patios and pool decking for ultimate design flexibility.

Think outside of the box with the Keystones Shapes line. It offers you a wide variety of different shape options to create a one-of-a-kind design that will be sure to dazzle and amaze. Don't settle for ordinary when only intricate originality will do.

Mix it up with Keystones Blends. The vast selection of colors and patterns allows you to create of myriad of different looks for your design. Transform any space into a visually striking work of art with these unique products.

PROJECT: PURE VIDA FITNESS & SPA - DENVER, CO
COMPANY: SEMPLE BROWN DESIGN
DESIGNERS: DALTON DAVE, SAGE CASE

Cover features Keystones Shapes Dark Gray penny rounds on the floor with Modern Dimensions in Matte Biscuit 4-1/4 x 8-1/2 filed tile and Keystones in Cityline Kohl 1 x 1 mosaic on wall.

Photo features Biscuit, Fire Brick and Mottled Medium Brown 1 x 1 Penny Round on the wall. Floor features Aspen Lodge in Midnight Blaze 18 x 18 field tile.

NOTES

Special care should be taken when grouting with dark pigmented colors. A grout release is recommended to prevent finely powdered pigments from lodging in the pores of the tile surface. Use of a latex modified thin-set is recommended for installation.

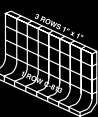

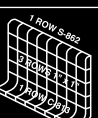

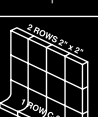

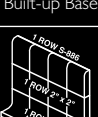

Strong random shading enhances the natural beauty of this product. To achieve optimal results, tile should be selected from multiple cartons and shading arrangement planned prior to installation.

Since there are variations in all fired ceramic products, tile and trim supplied for your particular installation may not match these samples. Final color selection should be made from actual tiles and trim and not from tile and trim samples or color reproductions. Manufactured in accordance with ANSI A 1371.1 standards.

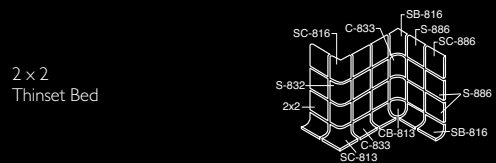

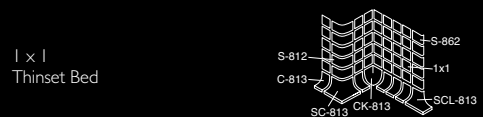

For additional information, refer to "Factors to Consider" at www.daltile.com/CommercialFactors.

Water, oil, grease, etc. create slippery conditions. Floor applications with exposure to these conditions require extra caution in product selection.
Not for use on ramps.
