

Looking for a modern shower or tub door with an incomparable look? The DreamLine™ exclusive AQUA door collection offers unique European designs combined with flexible installation options and superior value. The basic AQUA door, available in tub and shower options, offers 1/4" glass and solid brass hinges for flawless operation. A frosted glass option for the AQUA door is also part of the collection. For a frameless door look – select the AQUA LUX shower or tub door. AQUA LUX, in 5/16" thick glass, achieves its frameless design with the stationary glass panel attached to the wall with sleek solid brass brackets and a swing door fixed to the stationary glass with self-closing solid brass hinges. AQUA UNO tub door, the newest addition to the AQUA family of products, offers a unique single 1/4" glass tub door attached to the wall with two elegant wall-attached hinges.

## AQUA LUX
