Damaged Items: Damaged items are not the same as defective items. All shortages and visible damage should be noted on the original Bill of Lading before it is signed. If an item is received damaged, you have the responsibility to file a claim directly with the carrier, not Whitehaus Collection. A late payment charge of 1½% per month will be applied to all past due invoices; annual rate of 18%. It is agreed that all expenses incurred for collection as well as attorney fees, if necessary, will be added to the amount due. We will not accept an invoice or debit memo from any customer. This will in no way affect your responsibility for payment of product sold to you. It will not reduce the amount owed, and will not be entered into our receivable ledger.

Prices: All prices are subject to change without notice and are exclusive of any shipping, packaging, or handling charge that may apply.

All prices are F.O.B. (Freight on Board) West Haven, CT. Orders will be invoiced at prevailing prices at time of shipment.

A \$12.00 net handling charge will be applied to all common carrier shipments over and above the shipping charges. For common carrier shipments, it is recommended to group as many items together as possible to bring down the cost per unit. Please feel free to call us for a shipping quote if you are not familiar with typical charges for our industry.
