

The Odin Oblong Roll Top Stainless Steel Chafing Dish with Brass Plated Legs & Detachable Spoon Holder, a SMART choice for a classic style.

1A1231BRB ●

The Odin Oblong Roll Top Stainless Steel Chafing Dish w/ Brass Plated Legs not only looks great, but because of its unique design is cost effective. This model includes a detachable spoon holder and 2 fuel cup holders. The lid opens to 90° and 180° for serving versatility and has an auto-braking system to prevent slamming. The lid will roll back to 90° and stop. To continue to 180° simply push the lid beyond the stop. This will help keep food warm more efficiently. The water control system will decrease labor by recycling the condensation from the lid to the water pan. In addition, the lid can be removed for easy cleaning. The handle keeps cool preventing burns. The entire chafer is repairable, making this a quality investment that will last for years to come. It has a capacity of 8.5 qt/8.0 ltr.
