ATHERTON BEDROOM

Onyx

Brownstone has gracefully designed the Atherton bedroom to embrace elegant style with richly gained surfaces and brushed stainless steel accents. Finished in a deep onyx, this collection embodies a natural, yet subtle refinement, that is striking in any bedroom setting. The shelter bed has been upholstered in a washed burlap, that is soft to the touch but natural in appearance.

ATHERTON DINING

Teak

The Atherton teak dining collection is a perfect blend of streamlined design made with rich, exquisite wood. The collection's dining table is constructed of teak, subtly cerused to bring out the depth and character of the wood. The chair is elegant in scale, but gracious in support. Made of solid white oak, perfectly complimenting the teak table, this chair is upholstered in a hazel colored texture fabric with antique brass nailhead trim.

THE ATHERTON BEDROOM

Teak

Brownstone takes a meticulous approach to fusing sophisticated design with the finest materials when we created the Atherton teak bedroom collection. Finely crafted in teak that is lightly cerused and accented with rich solid brass elements, this collection has graceful curves that epitomizes subtle elegance. A sweeping shelter bed is upholstered in a soft cream textured fabric which compliments the exquisite natural teak wood surface.
