### Dimensions/Weight:

Item Dimensions: 80" X .8" X 30"  
Case Weight: 21 lbs

### Materials:

Wooden part: wood  
Metal part: Steel (hinges)

### Cautions:

Do not use for distances spanning over 72".  
Do not put gate in a place where passage through could lead to harm for the pet or yourself. This product cannot guarantee that it will prevent all pets from passing through.  
Do not carry an infant or child when striding over the bottom rung. Take care when stepping over bottom rung and prevent stumbling.  
Do not place gate at the top of a staircase or near a glass door.  
Place the product on a sturdy, flat surface.  
Do not use this product in any way other than its intended purpose.  
Keep the product away from fire or extremely high temperatures.  
This product is designed for indoor use only.  
Refrain from using a leash with your pet when using this product. Pet could become entangled.  
Do not sit or lean on the product.  
When opening door panel, be careful of pinching hands, fingers, or pet.  
Use mild detergent and water to clean. Do not use harsh chemicals such as benzoin or thinner.  
Use soft cloth or sponge. Do not use scrub brush or abrasive scouring materials. After cleaning, avoid drying product in direct sunlight. Place in shade to dry.

### Manufacturer's Recommendations:

We recommend applying additional anti-chew bitters serum to your gate on a regular basis especially if your pet is still a puppy.
