

Slide Gate

Instruction Manual

Thank you for choosing Primetime Petz Slide Gate.
Please read this instruction manual carefully before assembling or using this product,
and keep for future reference.

Features:

Gate is free-standing, allowing for easy placement anywhere you would like.
Attractive wood finish compliments any home décor.
Folds down to store in seconds, lightweight for ease of use
Capable of safely spanning areas from 28" up to 80".

Parts/Specifications:

Five pieces comprise the Slide Gate; very minimal assembly required.

Dimensions/Weight:

Item Dimensions Medium:	28-80"L X 18"W X 22"H	Case Weight Medium:	22 lbs
Item Dimensions Large:	28-80"L X 25"W X 30"H	Case Weight Large:	27 lbs

Cautions:

Do not use for distances spanning over 80".
Do not put gate in a place where passage through could lead to harm for the pet or yourself. This product cannot guarantee that it will prevent all pets from passing through or jumping over.
Stepping over gate is not recommended. Do not carry an infant or child if stepping over gate.
Place the product on a sturdy, flat surface.
Do not use this product in any way other than its intended purpose.
Keep the product away from fire or extremely high temperatures.
This product is designed for indoor use only.
Refrain from using a leash with your pet when using this product. Pet could become entangled.
Do not sit or lean on the product.
When setting up and folding down, be careful of pinching hands, fingers, or pet.
Use mild detergent and water to clean. Do not use harsh chemicals such as benzoin or thinner.
Use soft cloth or sponge. Do not use scrub brush or abrasive scouring materials. After cleaning, avoid drying product in direct sunlight. Place in shade to dry.

Manufacturer's Recommendations:

Although the gate is chew-resistant, we recommend applying additional anti-chew bitters serum to your gate on a regular basis, especially if your pet is still a puppy.
