

**SPAREHAND® SYSTEMS**  
**CADENCE™ KAYAK STORAGE RACK**

**Model: KC-320 Laguna &**

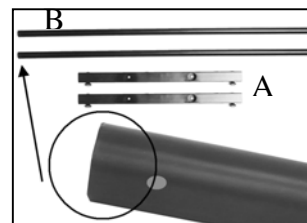

**KC-322 Laguna Plus**

**Caution – Failure to follow these guidelines can result in property damage or personal injury.**

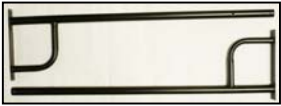

- Parts are not labeled. Before assembly, please identify each parts according to the descriptions and diagrams below.
- Do not use if the product **or any parts** is defective.
- Do not tilt or lift the storage rack.
- Do not drop kayak or any object on the rack. Place objects carefully and slowly.
- Do not step, stand, or climb on the storage unit.
- Do not use if loads are not balanced and / or cannot be used on level and secure ground. Always make sure the rack will not tip over. Secure the rack to the wall or floor if necessary.
- Kayak must be placed sideways (horizontally) on K-1 cradles. Faces outward and with the upper side lean against vertical posts. Do not place kayak flat on the cradles.
- Always make sure heavier loads are at the bottom and never place your kayak on upper rack position with the bottom rack empty. **Top-heavy loads are dangerous.**
- Use only if you determine the rack can be used safely.
- The manufacture and its agents are not responsible for any damages or injuries caused by the use or misuse of the product.
- This rack is intended for indoor use only.
- Please follow the instructions and observe weight and size limits. Upper level: 95 Lbs and 12 feet length maximum load. Lower level: 90 Lbs and 20 feet product length maximum load. Load and size limits are per pair of cradles.
- When moving the storage rack, remove all objects from the rack.
- For technical support or questions regarding this product, please contact 626-338-8998. PST 9:00 AM to 3:00 PM.
