

# SeaWing™ Kayak Carrier

Simplicity rules. Transporting a kayak doesn't get any easier than this.

MPG107MD

The SeaWing™ utilizes a wing shaped design that eliminates time consuming set-up and delivers confident kayak transport. The carrier's mid-point mounting hardware provides more roof top space than other traditionally designed carriers.

## Features

- . Universal fit JAWZ™ mounting hardware
- . 50mm and 60mm coated mounting bolts
- . Cam style load straps with buckle protectors
- . Low profile design for garage clearance
- . Corrosion resistant nylon construction
- . Bow & stern safety tie-downs
- . Lifetime warranty
- . Dimensions: 27.5" (L) x 6" (W) x 4.5" (H)
