

ProLuxe Veneto

ProLuxe Veneto™

FULLY POWERED ELECTRIC DESIGN

This day spa favorite has been redeveloped with even more unique features and exceptional value! The ProLuxe Veneto™ spa table features a luxurious, electric operated multi-purpose top paired with the industry's strongest x-brace design electric lift base. OAKWORKS® patented Access Design Top allows laptop client access, with the immeasurable comfort of our famous AeroCel padding and upgraded UltraTouch™ upholstery. The dual x-brace design provides unmatched stability and bariatric lifting capability in the base, which is also ADA compliant.
