

# COOPER LIGHTING - METALUX®

## DESCRIPTION

The DT Series is an attractive line of decorative wood trim luminaires that offers energy efficient performance. The product line utilizes a high-impact opal white diffuser and includes solid wood trims that are available in either white or honey oak finishes. A snap-flush mounting system is provided for easy installation and relamping.

The Decorative Wood Trim Series is an excellent choice for a variety of residential applications that includes the kitchen, family room, and dining room.
