

CASCADIA™ TABLES CASCADIA combines the natural warmth of hardwood veneers with satin-nickel finished steel legs. Comprised of a mid-sized coffee table, end table and console, each piece includes a drawer that is perfect for keeping laptops, tablets, gaming controllers and remote controls out of sight.

CASCADIA™ TABLES

- Each model includes a soft-closing storage drawer.
- Console 6202 integrates wire retention slots into the drawer, making it a perfect rechargeable station in an entryway.
- Console drawer can store and charge most laptops, making it an ideal laptop desk.
