

**ERAS™ TABLES** Inspired by the retro designs of the 60's, the ERAS collection reinterprets this style with modern accents and details. The collection includes a coffee table with a sliding door on both sides, two end tables and an elegant console. All are available in BDI's rich Chocolate Stained Walnut finish and coordinate beautifully with the ERAS Home Theater collection.

# ERAS™ TABLES

- Table collection features a combination of open and enclosed spaces.
- Coffee Table 1441 features a sliding door on each side.
- The End Table is available in two models — with a convenient storage drawer or an open shelf.
