

Item: Cool Shade™	
SKU: 40100	
<u>Description</u> Wrapped around a foam core, Cool Shade rolls onto a window in seconds with no creases, for a smooth, wrinkle-free look. Providing year-round protection from the sun's glint and glare, it helps car windows filter both UVA and UVB rays for lower car temperature. Adheres by static cling. Removable and reusable.	
Product Launch Date Sep-11	
Composition: 100% PVC film
