

Hygiene Stations

4262SL

4260SL

Make your work environment a healthier place to work. These hygiene stations have everything you need to help keep everyone healthy and happy. For healthy convenience, the stations hold one pump bottle of hand sanitizer and one standard box of facial tissue. The acrylic top and aluminum base are elegantly designed, making them perfect for any reception area or waiting room. The Floor Hygiene Station has a clear display for your own personal message.
