

Wireless Monitor

GENERAC® ACCESSORIES

Model 005928-0

Model 005958-0 Harness Adapter Kit required for use with liquid-cooled units with Nexus Controller

DESCRIPTION

The Wireless Monitor provides truly wireless in-home generator status. About the size of a credit card, this battery operated wireless device makes monitoring your generator easy and convenient.

*This system is compatible with air-cooled and liquid-cooled models that utilize an LCD display, except H-panels, EcoGen and 50Hz models.

FEATURES

- Compact, sleek design
- Magnetic back for refrigerator mounting
- Red, yellow and green status indicator LEDs
- "Chirp" function to alert owners when the generator needs attention
- Area for dealer contact information on the rear panel
- Toolless battery cover for easy battery replacement
