

Important: Always unplug the power cord before installing or replacing bulb and before cleaning or other maintenance.

## LAMP ASSEMBLY

1. Screw lower stem onto base.
2. Screw weight into weight support arm.
3. Install A19 bulbs (not included).
4. Place half-closed shade onto shade support stem and secure with finial
5. Place two piece of acrylic diffusers on acrylic diffuser support hooks from the bottom of shade.
6. Plug in power cord. ON-OFF switch is located below the shade.

## HEIGHT ADJUSTMENT

1. To increase height of lamp, loosen the Clutch and carefully pull up on the Upper Stem. Tighten the Clutch once lamp is at desired height.
2. To decrease height of lamp, loosen the Clutch and carefully push down on the Upper Stem while gently pulling the power cord free from the Lower Stem. Tighten the Clutch once lamp is at desired height.
