

Important: Always unplug the power cord before installing or replacing bulb and before cleaning or other maintenance.

LAMP INSTALLATION AND ASSEMBLY

1. Screw lower stem to upper stem until tight.
2. Insert the lower stem with disc into the base. Secure with lock washer and hex nut, using wrench (included).
3. Attach base cover to base bottom, tighten with base cover screws.
4. Install T10 medium base bulb (not included).
5. Install shade onto the shade holder by pressing the springs inward (fig A).
6. Plug in the cord and the switch is located on upper stem.

CARE INSTRUCTIONS

Dusting – Use a clean, dry cloth.

Cleaning – To protect the finish, avoid any harsh abrasives or chemicals.

NOTE:

This product is equipped with an electronic dimmer switch with memory.

Operating instructions:

On/Off: Press and release the switch. The lamp will turn on at the previous dimming level.

Dimming: Press and hold the switch. The lamp will dim up and down from 100% to 10%
