

JELCO® Padded Covers for Smart Board 660 / 680 / 685

Treat your investment with the care that it deserves. Whether your SMART Board is mounted on the wall or on a floor stand, utilize JELCO's padded covers to protect the surface from scratches.

Features:

- Black nylon padded cover for SMART Boards
- 1/2" foam interior is flannel-lined for additional protection
- Black corner straps secure the cover to the SMART Board
- Can be used with wall mounted boards or floor stands
