

Waverly Shaped Hall Console

366-50-106

32 x 15 - 33 H

Hardwood Solids and Cherry Veneers

This great console in a popular silhouette uses special cherry veneers with natural imperfections to create the look and hand of a solid cherry antique. The graceful shape of the top is echoed in the serpentine front and shaped base. It has one shaped drawer, and two planked doors with one adjustable/removable shelf behind. This item is from our no. 366 Waverly Place collection. Matching dining room, occasional, home office, bedroom and home entertainment items are also available. Ask your Hooker retailer to show you other Waverly Place items.
