90 DAY LIMITED WARRANTY

American-Retro warrants this item against defects in materials and workmanship for a period of 90 days from receipt by the original end-user purchaser, proof of purchase required. If American-Retro receives notice of any above-defined during the warranty period, American-Retro will, either, at its option, repair or replace products which prove to be defective, with new or equivalent to new ones.

Should American-Retro be unable to repair or replace the product within a reasonable amount of time, the customer's alternative exclusive remedy will be a refund of the purchase price upon return of the product.

LIMITATION OF WARRANTY

The above warranty shall not apply to defects resulting from: misuse, unauthorized modifications, operation or storage outside the environment specification for the vehicle; transit damage; and improper maintenance.

All returns must be in the original box with the original packing.
No returns will be accepted without Return Authorization numbers. **No Exemptions.**

American-Retro makes no other express warranty, whether written or oral, with respect to this product. Any implied warranty of merchantability or fitness is limited to the above stated 90 day duration of this written warranty. Some states, provinces or countries do not allow limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state, or province to province or country to country.

LIMITATION OF LIABILITY AND REMEDIES

The remedies provided above are the customer's sole and exclusive remedies. In no event shall American-Retro liable for any direct, indirect, special, incidental, or consequential damages (including lost profit), whether based on warranty, contract, tort, or any other legal theory.
