

# CO60PM

This powerful evaporative air cooler is the perfect choice to keep large indoor and semi-outdoor environments comfortably cool and breezy. Its capable motor helps to deliver the highest air flow in our range of indoor evaporative air coolers while a 40-cm fan blade and triple honeycomb media keep performance optimal. A continuous water supply connection, massive 60-liter water tank, and built-in overflow protection system allow long periods of unattended operation, making it perfect for more demanding and commercial applications.
