BESTAR

The new logo shows an open and radiant person. It also evokes the past of BESTAR, the fact that we were the first manufacturer of ready-to-assemble furniture to design U-Shape furniture. Finally, if you take the logo in its simplest form, it shows that BESTAR is there for its employees, for its customers and for its consumers, "BESTAR is there for you (U)".

Le nouveau logo illustre un personnage ouvert et rayonnant. Il évoque également le passé de BESTAR qui fut le premier fabricant de meubles prêt-à-assembler à concevoir des bureaux en forme de «U». Finalement, si on prend le logo sous sa forme la plus simple, il rappelle que BESTAR est présent pour ses employés, ses clients et ses consommateurs.

El logotipo ilustra un personaje abierto y radiante. Evoca igualmente, el pasado porque Bestar fue el primer fabricante de muebles listos para ensamblar a concebir escritorios en forma de "U". Finalmente, si tomamos el logotipo con su forma la más sencilla, nos recuerda que Bestar está presente para sus empleados, para sus clientes y para sus consumidores. "BESTAR está aquí para USTED (U)".
