

# MARATHON<sup>®</sup>

Convertible Car Seat

Rear-Facing | 5–40 lbs; Forward-Facing | 20–65 lbs

The MARATHON is purposefully designed and engineered to minimize the forward movement of the child's head during a frontal impact to reduce the risk of head injury with the following revolutionary BRITAX head safety technologies:

**Base with SafeCell Technology<sup>®</sup>** features SafeCells designed to compress in a crash, significantly lowering the center of gravity and counteracting the forward rotation of the child seat which normally propels the child toward the front seat

**Energy Absorbing Versa-Tether<sup>®</sup>** features a staged-release tether webbing to slow the forward movement, reducing the crash forces reaching the child, and a two-point attachment to minimize forward rotation while anchoring the top of the child seat

**Integrated Steel Bars** strengthen the connection to the vehicle and reduce forward flexing of the child seat during a crash.

## Premium Safety Features

- **Side Impact Protection** comprised of deep side walls lined with energy-absorbing EPP foam distributes crash forces, shields from vehicle intrusion, and contains the head, neck and body
- **Base with SafeCell Technology<sup>®</sup>** features SafeCells designed to compress in a crash, significantly lowering the center of gravity and counteracting the forward rotation of the child seat which normally propels the child toward the front seat
- **Integrated Steel Bars** strengthen the connection to the vehicle and reduce forward flexing of the child seat during a crash
- **Energy Absorbing Versa-Tether<sup>®</sup>** features a staged-release tether webbing to slow the forward movement, reducing the crash forces reaching the child, and a two-point attachment to minimize forward rotation while anchoring the top of the child seat
- **HUGS<sup>™</sup> Chest Pads** provides resistance to forward movement in the event of a crash
- **Tangle-Free, Five-Point Harness** distributes crash forces across the strongest parts of the body and provides a secure fit

## Superior Fit and Comfort Features

- **65-pound Weight Capacity** for safety and comfort as your child grows
- **Rear and Forward Facing Recline** for child comfort and positioning
- **High Density Comfort Foam** provides an extra layer of padding to gently cushion your child
- **Two Buckle Positions** for your growing child
- **Infant Positioning Pillow** offers extra comfort while achieving proper harness fit for small infants

## Superior Ease-of-Use Features

- **Premium Lower LATCH Connectors** for a quick and simple installation featuring a push button for easy release
- **Built-in Lock-Offs** ensure a snug lap and shoulder belt installation with minimal effort
- **Anti-Slip, Contoured Base** grips and protects the vehicle seat while offering optimum vehicle fit

## Child seat measuring guide

	Weight (lbs)	Seated Shoulder Height (in)	Standing Height (in)
Rear-Facing	5–40	9–16.75	49 or less
Forward-Facing	20–65	12–16.75	

## Product specifications

Product Weight (lbs): 19.5  
 Product Dimensions (in): 18.5W × 26H × 21D  
 Seating Compartment Height (in): 23.5  
 Seat Area Depth/Width (in): 11/11  
 Shoulder Width (in): 13  
 Harness Slot Heights (in):  
 8.5/9.5/10.5/11.5/12.5/13.5/14.5/15.5/16.5/17.5  
 Buckle Strap Depth (in): 5/7.5

Carton Weight (lbs): 23.05  
 Carton Dimensions (in): 18.25W × 29.5H × 19D  
 Pallet Weight (lbs): 464  
 Pallet Dimensions (in): 40W × 93.25H × 48D  
 Pallet Cube (cu ft): 103.61  
 Pallet Quantity: 18

This product has a 7-year product life and limited one-year warranty.
