### ALEXANDER ROSE 305 SIX SEATER BELFRY PICNIC TABLE ASSEMBLY INSTRUCTIONS

ref: ARL-305 -

6 Seater Belfry Picnic

Table 04-08-09

### READ IN FULL BEFORE USING THIS PRODUCT

This product is very heavy. two people are required for assembly and moving <u>Product Information</u>

Your furniture is manufactured using FSC pine from Europe. This is treated with preservative to protect against

decay, giving a lifespan in excess of ten years.

Under normal circumstances Pine cracks; this is due to its natural characteristics and will not compromise the strength of your furniture, which is designed with this in mind.

Softwoods are prone to weather staining/blackening caused by moisture activating mould spores present naturally in the wood.

Cleaner should remove this blackening.

We strongly recommend a twice yearly application of a water repellent preservative such as Cuprinol to protect against fungal attack and blackening of the wood

### Maintenance

Your furniture can be cleaned using soapy water and stiff brush. More severe stains such as spillages, bird droppings. mildrew and blackening of the wood etc. can be removed using Alexander Rose Cleaner or sanding using a medium grit sand paper.

Lifting grain or cracks can be glued using a waterproof adhesive suitable for timber. Clamping may be necessary with excess glue being removed with a damp cloth. The area should be sanded once the glue is dry.
