

Locks in horizontal position for watercolor painting

**HERITAGE™
Cabrillo Table
Mount Easel**

Durable yet lightweight steel easel clamps to any tabletop up to 1¾" thick. Compact and portable, great for studio or display use. Spring-loaded angle adjustment knob eliminates interference with table surface and allows for positioning at any angle, vertically or horizontally, from 0° (perfect for watercolorists) to 90°. Rigid steel support arm and adjustable top and bottom brackets hold artwork securely at any height position. Accommodates up to 28" canvases or watercolor paper, and up to 7/8" thick heavy-duty stretcher bars. Easel is 33" high when fully extended. Rear leg and lower support folds for ease of transport or storage.
