

**HERITAGE™  
Champlain Aluminum  
Watercolor Easel**

Multi-media easel design for painting, sketching, and display in the horizontal and vertical positions. The horizontal position is well suited to the watercolorist who likes to work indoors or out. Unique design accommodates up to 36" watercolor paper or canvas in horizontal position and up to 56" canvases/panels in the vertical position. Can even be configured to support lightweight display signage up to 69" tall. Works equally well with thin panels, standard 3/4" canvas, and 1 1/2" gallery/museum profile. Pivot head locks securely in the horizontal and vertical positions or anywhere in between. Well-crafted design features secure leg locks, pivoting rubber feet, a 17 1/2" canvas tray with swing-out brush holder/water basin hook, and two sets of tray support brackets. Easy to assemble and take apart. Compact design folds to 28" length for easy transport in convenient carry bag with shoulder strap (included). Weighs only 4 1/2 lbs. Black. One year limited warranty.
