

Euro[®] Reversible Boards

Surface rotates 360°
and locks into place.

Wide base design
provides stability.

Euro® Reversible Boards

- Get up to twice the functional space of a wall-mounted board with a versatile and mobile Euro® Reversible Board.
- Mobile boards are double-sided and available in a variety of surface combinations, including porcelain steel magnetic dry erase markerboard, porcelain steel projection board, Dura-Rite® HPL dry erase markerboard, and tackable natural cork.
- Panel is trimmed with modern black anodized aluminum, rotates 360° on a pivot hinge, and locks into place with the turn of a knob. Trim includes a full-length accessory tray for style and stability.
- Available with a surface size of 40"H x 30"W or 4'H x 6'W. Smaller size ships UPS to save you time and money.
- Wide base design for stability includes attractive nesting legs, and 3" locking casters.
- TAA compliant.
