

Green-Rite[®] Markerboard

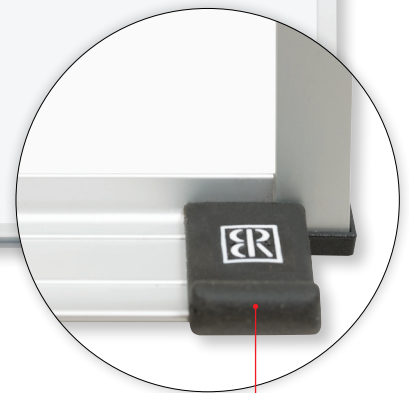

with Aluminum Trim

Traditional anodized aluminum trim joined with a hairline miter.

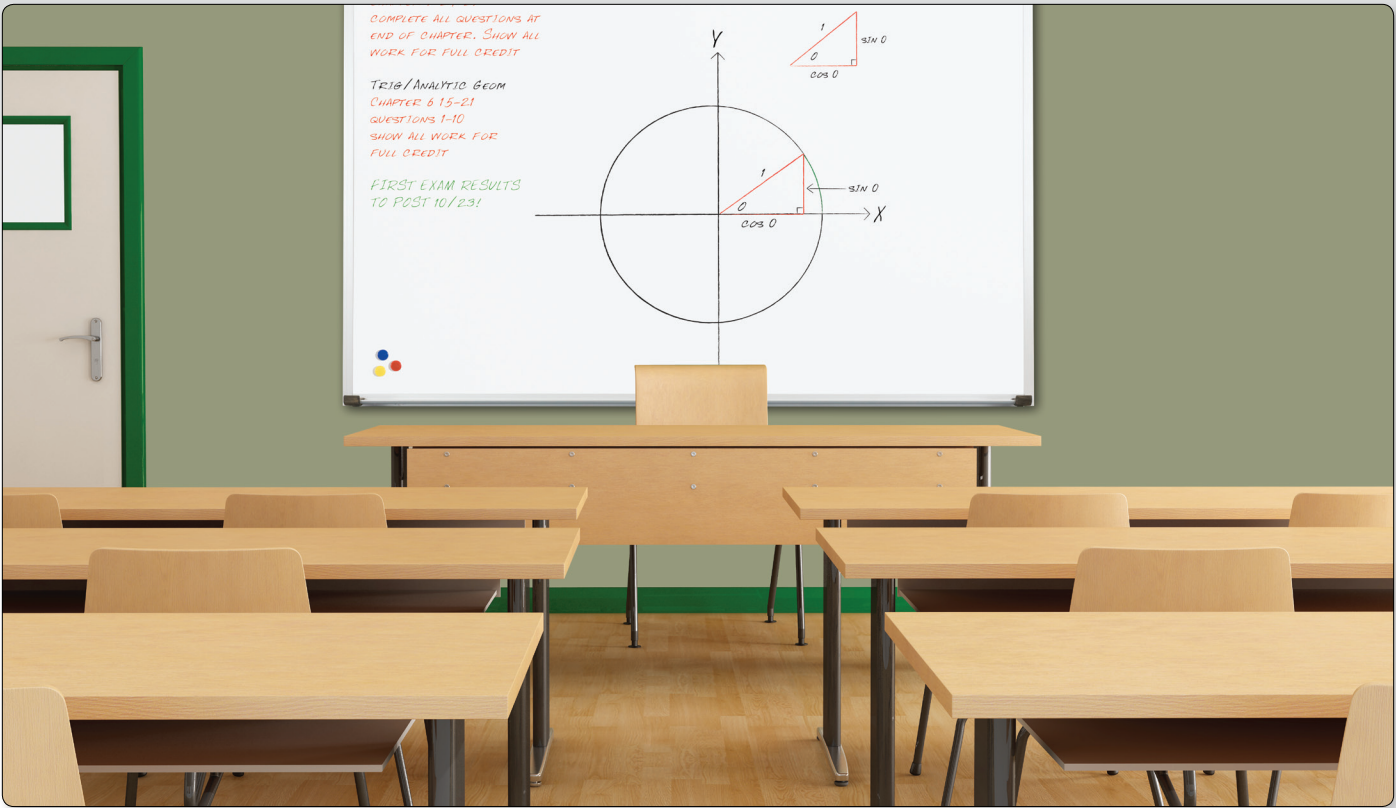

- * Environmentally responsible board emits virtually zero VOCs
- * Class A Fire Rated
- * The Specification in Education[®]

Accessory tray includes Dura-Safe[®] rubber end caps to eliminate sharp corners.

Green-Rite® Markerboard with Aluminum Trim

- Green-Rite®, an environmentally responsible magnetic porcelain steel dry erase surface, is featured with traditional aluminum trim.
- Includes full-length accessory tray with Dura-Safe® end caps.
- Cradle to Cradle Certified™ Silver, GREENGUARD Indoor Air Quality Certified® and GREENGUARD Children & Schools Certified™, and level® 1 certified to conform to the ANSI/BIFMA e3 Furniture Sustainability Standard.
- Certified boards incorporate material healthfulness, material reutilization, renewable energy use, water stewardship and social responsibility.
- Designed for Environment (DfE) Green-Rite® products contain between 40% and 55% rapidly renewable materials. Green-Rite® products are also durable, and can be easily remanufactured or refurbished with different frame and attachment features to provide a lifetime of stylish use. Aluminum frame and attachment materials are recyclable.
- Surface provides superior writability, and is virtually indestructible.
- Class A Fire Rated board. A full test report copy is available upon request.
- Made in the USA. 50 year guarantee. TAA compliant.

Technical Specifications

- Multipurpose magnetic surface with superior writability and erasability for dry erase markers. Superior contrast and reduced surface light distortion minimizes glare for optimum eye comfort.
- A precisely balanced porcelain enamel ground coat is furnace-fused to both sides of 28 gauge (standard) or 24 gauge (custom) steel.
- The first furnace fuses a ground coat of enamel that is heat-softened at approximately 1450° F. The second furnace firing fuses a coat of enamel to the ground coat enamel. Color Fusion ceramic top coat is applied providing the desired surface color.
- A fade resistant waterproof resin glue bonds the porcelain to an MDF core and .005" polyester foil backer sheet. Also available with upgraded sheet aluminum backer. Custom sizes are available. Off-white is standard.

A. Green-Rite® Markerboard - Aluminum Trim

Part No.	Dimensions	Ship Wt.
■ E2H2AA-NM*	1 ½'H x 2'W	8 lbs
■ E2H2AB-NM*	2'H x 3'W	14 lbs
