- **Beautiful Bisque** styling with glass window, compliments other bisque or almond appliances.
- **Compu Broil®**, **Compu Roast®** & **Compu Bake®** settings provide a new level of automatic ease. Broil a steak, roast a chicken or bake a cake to perfection at the touch of a key.
- **Large 13-inch diameter ceramic turntable**—offers ON/OFF flexibility to handle oversized or oblong-shaped dishes or containers.
- **Sensor Cook®** includes 12 Smart & Easy® sensor settings for the most popular microwaved foods. No need to set times or power levels— and no guesswork!
- **Interactive Cooking System** with Custom Help® includes options for English, Spanish or French.
- **CompuDefrost™** quickly defrosts meats and poultry by weight. Specific program for each category assures excellent, even results.
- **Keep Warm** lets you keep hot food hot up to 30 minutes after cooking is finished with no loss of food quality.
- **Built-in Exhaust System** offers horizontal or vertical discharge or ductless recirculation. It comes with a hood light and powerful fan.
- **High Rack** is included for two-level baking.
- **Low Rack** may be used for baking, roasting or broiling.
