

Innovation

Luxury

Comfort

Congratulations!

You now own the finest, most affordable upholstered furniture available today, furniture designed to enjoy for many years to come.

Our *Frames* are constructed with hardwood and marine-grade plywood, engineered for a very long life. Depending on the model, *Cushions* are made with high-density foam cores and feather down tops. All styles offer luxurious comfort and durability.

Fabrics and Leathers are chosen for their quality and beauty as well as their feel.

At Opulence Home, we are serious about furniture. Our name may be new but our combined experience exceeds 5 decades. Our products are manufactured using time-honoured construction techniques combined with modern, innovative designs, providing you with a perfect fit for your contemporary lifestyle.

Our relationship with you is built on trust. You can be sure Opulence Home is committed to quality manufacturing standards which include: superior components, tested for safety and durability; quality crafted, state-of-the-art design; modern electronics compatible with today's technology.

I know you will be thrilled with your purchase but, if for any reason you are not, I hope you will contact us immediately. I am proud of our products and I want you to be, too.

Sincerely,

Randy Hoover
President
