ENVISION COLLECTION

SHELVING, DISPLAY & PARTITIONS

Versatile, flexible and functional, the ENVISION Collection represents clean, modern solutions for maximizing available wall space. The aesthetically pleasing elliptical uprights and compatible components provide unlimited designs for shelving, storage, presentation and display. Ideal for use in corporate office, educational, retail, institutional and healthcare environments. Envision the possibilities. . .

Of course, custom configurations are available.

MS2 (2) sections 42"w with glass shelving. 83w x 84h x 13d

SP1 This shelving system offers a variety of inset panels within the flat facing elliptical profile. Inset panels are in standard finishes or Customers Own Goods (COG). Shown with 3form™ resin panel and glass shelving. 42w x 84h x 19d

30° shelves allow maximum visibility for literature and periodicals.

The wall stand-off bracket mounts securely and easily to the wall surface. The shelves adjust in 3/4" increments.

SHELF INSET PANELS

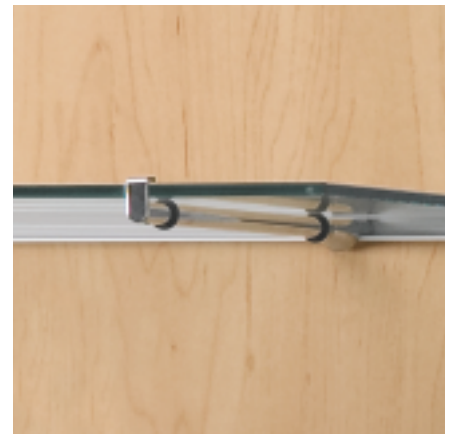

Inset panels are framed in a square aluminum extrusion and available in floor standing and wall mounted models. The shelf brackets fit securely into the aluminum connecting profile. Extended glass shelves offer unique styling and maximize the display area.

SF3076 Floor Mounted maple panel with glass shelves. Shelf spacing 12"h. 30w x 76h x 15d

SW1842 Wall Mounted black panel with extended glass shelves. 18w x 42h x 12d

Glass shelf bracket

SA Clean, minimal and sleek, the extruded aluminum shelf cantilevers from a low profile wall cleat. Also ideal as a display rail. Available in lengths up to 96", finished in natural anodized aluminum. Shown with (3) 48w and (1) 72w x 1-3/4h x 8-1/4d

ALUMINUM SHELIVING

PRESENTATION RAIL

SA Detail

PR Presentation Rail available in lengths up to 96w x 2h x 5-1/2d.

EP3 Panel size 36w x 72h x 3/4d

EXHIBIT, DISPLAY & PARTITION PANELS

Exhibit, Display and Partition panels are easily arranged for presentations and to divide space. Framed in natural anodized aluminum, the dual sided articulating panels may be specified with hard surfaces, tackable fabrics or COM. Ideal for mounting artwork, graphics, announcements and shelving. Create your own configurations with additional 'Add-On' panels.

ETP Hinge Connector

ETP Tri-Panel Display. Installed around a center connector, panels divide into three individual and adjustable viewing areas. Panel size 36w x 72h x 3/4d
