

Installation Instruction

Product name SHELVING DISPLAY W/ DECORATIVE PANEL
Model SP1

TOOLS INCLUDED
 - Allen wrench 2.5 mm

HARDWARE INCLUDED
 - 8 pcs. drywall screws plus insert
 - 4 pcs. Distance Piece

- INSTALLATION STEPS**
1. Attach wall mount distance pieces (4) to the back of the uprights by sliding down groove. Tighten in place.
 2. Set unit in desired location, level and plumb. Mark the hole locations through the screws plates.
 3. Remove unit from wall. Remove screw plates and attach the screw plates to the wall with supplied hardware.
 4. Set shelving unit in place, guiding the distance piece into the screw plates. Tighten set screws.
 5. Install shelf brackets. Tap with mallet to insure they are fully engaged into slot. Install shelves.
