furniture for kids.

ROUGH HOUSE

Even the most active boy is no match for the vigor of this strapping collection in cherry veneers with a Rustic Cherry finish. RoughHouse features substantial tops and posts, softened edges, exaggerated bun feet and sturdy antique bronze bale pulls. New smartstuff smart features are incorporated throughout the collection, such as removable partitions in drawers to provide simple organization to help mom - and the kids - bring order to busy lives. Plus, select pieces include fun, smart teaching elements like coasters in all of the nightstands.

*smart

- * Patented charging stations in nightstands are perfect for today's plugged-in kids.
- * Removable partitions in the lower drawers provide simple organization to help mom - and the kids - bring order to busy lives.
- * Each dresser includes a hidden storage compartment beneath a felt-lined tray for those special little treasures.
- * Built-in lighting is strategically placed for studying or reading.
- * A clever tray for the upper bunk creates a "nightstand-in-the-sky" for an iPod, cell phone or alarm clock.
- * Under-bed storage units and trundles provide plenty of space for sleepovers or extra space.
