# freestyle

**D**esigned with older kids - or modern moms - in mind, Freestyle is fresh and sophisticated in cherry veneers with a rich Mocha finish. Bow-front drawers juxtaposed with flat parting rails create a sense of movement, while tapered legs and simple round nickel hardware add contemporary appeal. New smartstuff smart features are incorporated throughout the collection, such as removable partitions in drawers to provide simple organization to help mom - and the kids - bring order to busy lives. Plus, select pieces include fun, smart teaching elements like coasters in all of the nightstands.
