Wide base design
provides stability.

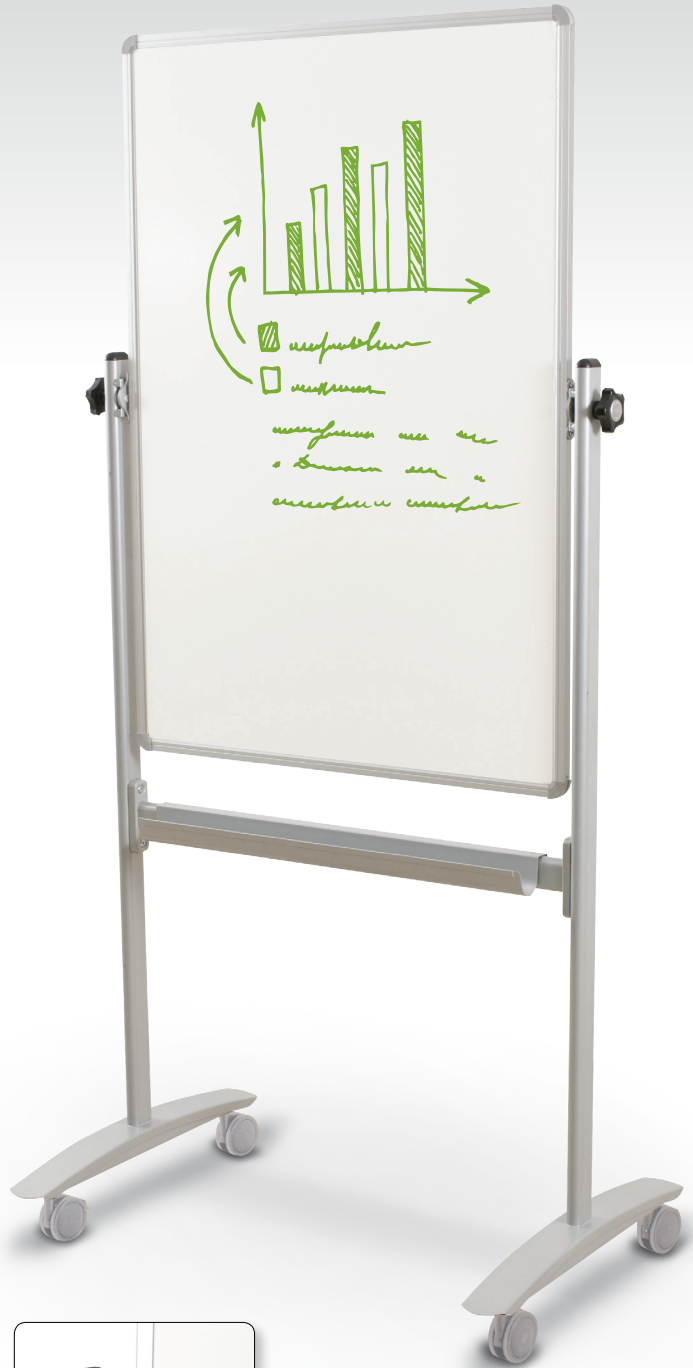

Lumina™ Reversible Boards

- Get up to twice the functional space of a wall-mounted board with a versatile and mobile Lumina™ Reversible Board.
- Mobile boards are double-sided and available with HPL dry erase markerboard surface.
- Panel is trimmed with modern anodized aluminum, rotates 360° on a pivot hinge, and locks into place with the turn of a knob. Available in platinum, the trim includes a full-length accessory tray for style and stability.
- Available with a surface size of 40"H x 30"W or 4'H x 5'W. Smaller size ships UPS to save you time and money.
- Wide base design for stability includes attractive nesting legs, and 3" locking casters.
- Coordinates with other members of the Lumina™ series.
