

Titanium Plus
S E R I E S

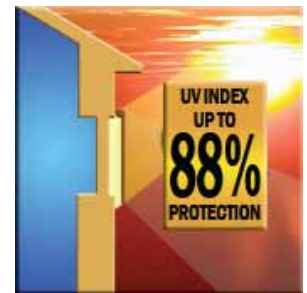

About the Titanium Plus Series

Our Titanium Plus Series shades are pole-operated (cordless) and include our oil-rubbed bronze Valance that protects the shade. These shades feature our premier PVC-coated polyester fabric providing up to 88% UVA block.

Key Features

- Hardware, Valance and fabric colors complement each other
- Valance included
- Crank can be on right or left side of shade
- Shade can be mounted from wall or ceiling
- 2 year hardware warranty
- 3-5 year fabric warranty (depending on fabric)
