

## Enviromaster® 9 Professional Grade Critical Filtration HEPA Vacuum

Easy to carry and transport, this industrial strength vacuum is suited for heavy duty HEPA cleanup in all types of areas. Shipped with HEPA filter, Disposable paper filter bag (5/PK), Intermediate prefilter (2/PK) and dry tool kit.

Features:

### Motor Head

Equipped with 1.3 HP motor and fitted with a power nozzle receptacle. Includes 30 ft, 3 wire grounded safety yellow power cord.

### Three Heavy-Duty Clamps

Heavy duty spring steel clamps with non-marring tips to ensure a positive vacuum seal.

### HEPA Filter System

Consists of a certified absolute 14" HEPA filter, intermediary micro filter and disposable filter bag.

### Swivel Hose Connector

The 1.25" swivel hose connector fits tank inlet for vacuuming or motor head exhaust fitting for blowing applications.

### HEPA Filter

It has a minimum efficiency rating of 99.97% at 0.3 microns HOT DOP method certified.

### Tool Kit Includes

2 pc 1.25" aluminum wands, 6" upholstery tool, 10 Ft vinyl hose, 1.25" swivel hose connector, 9" crevice tool, 3" round dusting brush, 10" floor tool, and 12" combination floor tool.

### Vacuum Tank

Rotationally molded, high impact plastic with .25 wall construction. Equipped with four 2.5 swivel casters. The no-tip base design has low center of gravity.

### Optional Features Available:

- #260150 Turbo Brush
- #335134 Power Nozzle
