TW 411 • Carpet Extractor Spotter

Deep Clean with Confidence.

Introducing the TW 411 Carpet Extractor Spotter

TW 411 is a powerful spray extraction machine perfect for textile surfaces such as carpets, upholstery or car interiors. Thanks to the machine's compact and light-weight construction, it is ideal for cleaning small areas, but can tackle larger carpeted rooms and halls.

The **TW 411** contains an easily removable dirty water tank which allows for fast and efficient operation. The 1.5 HP motor allows for powerful suction so more water is picked up and surfaces dry faster.

Adaptability is the key - the optional hard floor adapter allows cleaning of marble, granite, tile and other hard floor surfaces.

Powerful and Compact

Deep clean with confidence

Powerful

- The 1.5 HP motor is ready to tackle any job in small to medium sized areas

Lightweight

- Weighing in at less than 31 lbs, the TW 411 is easy to operate and highly maneuverable

Powerful Suction

- With a powerful motor and great design, the TW 411 keeps the area dry while cleaning

Functionality

- Plenty of optional tools available - for a wide range of cleaning applications

Easily removable, clear recovery tank

10" Carpet extractor tool
