

CALCIUM HARDNESS INCREASE

As Needed

KEEP OUT OF REACH OF CHILDREN WARNING

Causes eye irritation.
Read Precautionary Statements and First Aid
on back panel before use.

NET WEIGHT: 16 OZ (473 ml)

THE ANSWER TO CLEAN, CLEAR WATER!

Each marking represents approximately 2 fl. oz.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

IN CASE OF EMERGENCY CALL: 1-800-654-6911

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

This product is used to increase calcium hardness in water that has low levels of hardness. Low hardness can corrode the equipment and cause permanent wrinkling in a vinyl liner. The ideal hardness level for a vinyl lined spa is 150-400 parts per million (ppm).

DIRECTIONS FOR USE

1. Determine current calcium hardness level using a test kit for hardness.
2. With jets on, pour the proper amount of **Calcium Hardness Increase** into spa water. Note: One-half (1/2) ounce of **Calcium Hardness Increase** increases hardness by 7 ppm in 250 gallons of water.
3. Test water after twenty minutes to confirm the calcium hardness is within the proper range. If still low, repeat procedures above.

PRECAUTIONARY STATEMENTS:

WARNING. Contains calcium chloride. Causes eye irritation. May cause skin irritation. May be harmful if swallowed. Avoid contact with eyes, skin and clothing. Wash hands thoroughly after handling. Do not mix with other chemicals. Only add product to water.

STORAGE AND DISPOSAL:

Keep this product in its original, tightly closed container in a cool, dry, well-ventilated area when not in use. Avoid contact with strong acids. Use entire contents, then triple rinse container and offer for recycling, or dispose in accordance with state and local regulations. Do not reuse empty container.
