

Thera Pendant

One of A19's most classic bowl Pendants, Thera provides a clean, smooth design and generous light. We offer two sizes, which coordinate with eight other available fixtures. When painted to match your walls, Thera can blend in to your décor smoothly. Or choose a stand out contrasting option with one of our painted or faux finishes, or clean white unfinished bisque. Pendants come with a canopy and 6 feet of cord, in black or white, which can be cut to the perfect length.
