

## Warranty

Our traditional screen-printing technique ensures durability while looking hand painted. Our inks are water-based and we only use clay-coated paper of the highest quality. Wallpaper can be gently wiped clean once hung.

A single roll measures 27" wide x 15' long (71.1 cm x 4.5 meters) Unless otherwise specified, repeat is straight match. Since every order is custom, please allow 4-6 weeks for delivery on items not in stock or custom designs.

All Loboloup wallpaper comes untrimmed and unpasted. Wherever possible, we print and ship in double and triple rolls to minimize waste for installation. We recommend professional installation for your wallpaper. If you would like to find a paperhanger in your area, we recommend *National Guild of Professional Paperhangers*.

Please note that colors vary from computer screen to computer screen. We have tried our best to accurately represent colors in our photos, but the best way to view the true color and scale of a paper is by ordering a sample.

All sales are final. Wallpaper cannot be returned once box is opened. If you believe the product is damaged, please contact us within 14 days of receiving your delivery. Items returned more than 21 days after the delivery date will not be accepted and will be returned to sender.
