"Handling of a mop. Power of a machine."

QLEENO APPLICATION

Weighing only 66lbs (empty) it is finally possible to transport this machine into a normal sized vehicle trunk or to an upstairs facility. Qleeno is perfect for independent contractors or cleaning crews on the move.

PROFIT MACHINE

Profitability is easy with Qleeno! Decrease overall labor costs in no time with the highly efficient and effective Qleeno super cleaning machine. No need to move those heavy desks anymore because Qleeno can easily get under them in seconds. Contact us today to schedule a Qleeno demonstration to see this ultra low profile machine in operation.

THE FREEDOM MACHINE

Qleeno makes it possible to clean in all directions with its superior 360 degree design. Its low profile construction at 7.5 inches makes it easy to clean those tight and hard to reach spaces. In addition, the Qleeno machine is super simple to transport and store while taking up less than half the space that old machine did.

Unique Design:

Ergonomic Handle

The handle is designed to suit people of all heights.

Digital Steering System

Simple control buttons make operating the Qleeno easy.

Low Profile

Only 7.5 inches tall, the Qleeno will glide under cabinets and furniture where other machines won't fit.

Operates In All Directions

Extremely easy to operate. The machine literally "hovers" on the floor. No wobbling single-scrubber effect. Very user friendly. Learning how to operate Qleeno is extremely easy.

Removable Solution Tank

The removable tank is easy to empty and fill and is removed and mounted with no tools. The solution recovery is approximately 1:1 gallons.

Stores Vertically

Easily stored in a janitor's closet while taking up less than half the size of a traditional mop bucket.

Brush Pressure and Speed

26.5 lbs and 180 RPM

Standard Size 12" Brush/Pad

Enables the freedom to use standard accessories.

Foldable

The handle adjusts to suit the comfort of the user and folds back to allow the machine to extend into tight spaces.

Very Low Water & Chemical Consumption

The low water consumption means that the floor dries quickly which is great for sensitive floor types.

Heavy-Duty Transportation Wheels

Fold your Qleeno and roll it like a travel suitcase.

2 Year Limited Warranty...

- Any damage resulting from misuse or neglect including, but not limited to bent squeegee rings, dented or crushed machine hoods, broken welds or punctuated rubber bladders as well as worn out seals, o-rings and springs are not covered by warranty and no warranty credit will be provided for such damaged components.
- This warranty does not apply to ordinary wear and tear, overloading, alterations (including repairs or attempted repairs not performed by SFA or one of their authorized service centers).
- This warranty is voided by improper fluid use, alterations and/or use of the product in any manner for which the product was not intended. This product should be used in accordance with the instructions or warnings provided.
- In the unlikely event that a Qleeno product fails due to material defect in workmanship, you may contact SFA for disposition. Please contact our customer service department at (816) 891-6390 before proceeding with shipment or repairs on the product. In such cases, the customer's sole and exclusive remedy for any breach or alleged breach of warranty is limited to the repair or replacement of the defective product.
- Under no circumstances is SFA liable for any consequential such as lost profits or any other incidental damage whatsoever.
- THIS WARRANTY IS LIMITED TO NEW PRODUCTS SOLD THROUGH AUTHORIZED DISTRIBUTORS AND OTHER CHANNELS DESIGNATED BY SFA. NO AGENT, EMPLOYEE OR OTHER REPRESENTATIVE OF SFA, IS AUTHORIZED TO MODIFY THIS WARRANTY.
- THE FOREGOING IS EXCLUSIVE AND IS IN LIEU OF ALL OTHER EXPRESS AND IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FOR A FITNESS FOR A PARTICULAR PURPOSE. ALL OTHER WARRANTIES ARE EXPRESSLY DISCLAIMED. WARRANTY LAWS IN DIFFERENT LOCALITIES MAY VARY AND YOU MAY HAVE RIGHTS BY VIRTUE OF STATE OR LOCAL LAW.
- SFA's liability in all cases is limited to, and will not exceed the purchase price paid for the product.
- "Wear Items" such as accessories, motor carbon brushes, squeegees, brushes, pads, vacuum tubes, wheels, casters, belts, bearings, AC motor and etc. are excluded unless found defective by Qleeno or SFA or an authorized service center.
