

TMC Tilt Mount Combo Pack

Includes:

- 6' High Speed HDMI with Ethernet.
- 4 oz. screen cleaning solution.
- Microfiber cloth and corner cleaning brush.
- Mount installs on 2 studs with interface arm locking screws included for extra security.

Wall hugging 2.05" profile for streamlined mounting.

Flexible TV interface arms can handle **TV sizes from 37"- 55"** (all VESA patterns up to 600mm x 400mm).

Heavy duty steel frame can easily support your TV up to 77 lbs.

Your TV can be tilted from **+5° to -15°** for the optimal viewing angle.

All parts included for easy and secure installation into wood studs, concrete or brick/stone walls. All screws required to attach the TV interface arms to the TV are included.
