Design
Louise Campbell

Concept
Collage Pendant creates direct and diffuse illumination. The pendant consists of three staggered shades. All three have carefully been staggered in order to avoid any direct glare from the light source. The light and shadows from the fixture are ever changing when viewing the fixture from different angles.

Finish
Snow white (white), heavenly blue (blue), spring green (green), hotlips (pink) or smoke screen (smoke-tinted).

Material
Suspension: Naturally anodized aluminum. Shades: Laser cut acrylic.

Mounting
Suspension type: 3x stainless steel aircraft cables. Suspension length: 12'. Canopy: White. Cord type: 3-conductor, 18 AWG white PVC power cord. Cord length: 12'.

Weight
Max. 10 lbs.

Label
cUL, Dry location. IBEW.
