

Secto Design

4230

Northern lights. Crafted by hand in Finland, Secto Design Oy lamps are an elegant study in Scandinavian simplicity. Light radiates through slats of birch in architect Seppo Koho's designs, true to his credo that "light should softly invite people to come closer."

The Secto 4230 is a sconce-like fixture that can be mounted directly on the wall. Line several along a corridor or use them to call attention to beautiful molding and ceiling details.

Ordering Matrix

Model

4230

I (Medium Base Option)

1 x 60W Max A-19

1 x 18W CFL Spiral

F (Fluorescent Option)
