

Secto Design

4231

Northern lights. Crafted by hand in Finland, Secto Design Oy lamps are an elegant study in Scandinavian simplicity. Light radiates through slats of birch in architect Seppo Koho's designs, true to his credo that "light should softly invite people to come closer."

The Secto 4231 is a small fixture that can be mounted so that the light streams upward like a sconce, or downward to provide mood or accent lighting.

Ordering Matrix

Model

4231

I (E12 Option)

1 x 60W B-10

1 x 9W Torpedo

F (GU-24 Option)

1 x 13W CFL GU-24

Finish

BI = Natural Birch
