

EKG CART

Height-adjustable EKG Cart – Carry all your supplies on a compact, easy-to-steer cart that takes everything you need right to your patient. Squeeze the paddle to easily adjust the cart height 30"–40" so it's comfortable. The side bin conveniently collects printouts and the metal bin stores supplies securely.

1

Adjustable Height – Set the height 30"–40" so it's comfortable for patients and clinicians.

2

Side Bin – Conveniently collects printouts.

3

Large Casters – The 4" diameter twin-wheel casters (2 locking) travel easily over thresholds and directly to the point of care.

4

Contoured Top – The 1/2" high lip runs all the way around the cap shelf so your portable EKG machine won't slide off.

5

Metal Bin – Store your patient lead cables, and other items here for easy access.
